

CONFIGURACIÓN WI-FI

The screenshot shows a web interface for configuring a Wi-Fi router. The top status bar includes 'DIRECTV|INTERNET', signal strength indicators, and a 'Login as Enduser' button. The main content area is titled 'Status' and 'WiFi Information'. A sidebar menu on the left contains 'Status', 'Settings', and 'Multiple SSID'. The 'Settings' option is highlighted with a green box and a green arrow. The 'WiFi Information' section displays the following details:

Status :	ON
Radio Channel :	6(Manual)
Working Mode :	802.11b/g/n mixed
WiFi MAC :	1c-49-7b-92-c5-c0
Network Name(SSID) :	DIRECTV
SSID Broadcast :	Enable

At the bottom of the main content area, there are 'Refresh' and 'Auto' buttons. The bottom navigation bar contains icons for home, Wi-Fi, network, tools, and information.
